LOREM IPSUM!!!!

Never tell neighbors where or for whom you work. Give them false information on this subject. If you are paid by check, DON'T deposit the paycheck in any account with your name on it. The best idea is to go to the bank on which it is. The best idea is to go to the bank on which it is. If you make a regular practice of this, avoid becoming familiar with any tellers or other bank personnel. Vary the times and days for visiting the bank. Visit different branches of the bank, too. Another check cashing tip: avoid getting it cashed at your favorite bar or tavern. FBI agents probably spend at least a third of their working hours hanging around such places, as they seem to attract the kinds of people they are looking for. Anytime there is a bank robbery, the first places the FBI check out are all the bars within the immediate vicinity of the robbery. Don't laugh. It's true because it works.
